SUMMARY ANNUAL REPORT FOR

LOCALS 302 AND 612 OF THE INTERNATIONAL UNION OF OPERATING ENGINEERS CONSTRUCTION INDUSTRY HEALTH AND SECURITY PLAN

This is a summary of the annual report of the Locals 302 and 612 of the International Union of Operating Engineers Construction Industry Health and Security Plan, EIN 91-6028570, Plan No. 501 for the year ended March 31, 2018. The annual report has been filed with the Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

The Board of Trustees of Locals 302 and 612 of the International Union of Operating Engineers Construction Industry Health and Security Plan has committed itself to pay certain medical, prescription, vision and weekly disability benefits incurred under the terms of the plan.

Insurance Information

The plan has contracts with Delta Dental of Washington, Willamette Dental of Washington, Inc., United of Omaha Life Insurance Company and Kaiser Foundation Health Plan of Washington to pay certain dental, medical, life and accidental death and dismemberment benefit claims incurred under the terms of the plan. Premiums paid for the plan year ending March 31, 2018 totaled \$2,314,873.

Because the contract with United of Omaha Life Insurance Company is a so called “experience-rated” contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending March 31, 2018, the premiums paid under such “experience-rated” contract were \$1,106,443 and the total of all benefit claims paid under the experience-rated contract during the plan year was \$807,367.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$227,810,341, as of March 31, 2018, compared to \$209,265,796 as of April 1, 2017. During the plan year the plan experienced an increase in its net assets of \$18,544,545. This increase includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan’s assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$151,286,415, including employer contributions of \$110,431,518, employee contributions of \$14,635,000, realized losses of \$119,910 from the sale of assets, earnings from investments of \$12,448,903 and other income of \$13,890,904.

Plan expenses were \$132,741,870. These expenses included \$7,312,436 in administrative expenses and \$125,429,434 in benefits paid to participants and beneficiaries. (Administrative expenses include administration fees, investment fees, auditing fees, attorney fees, banking fees, consulting fees, and miscellaneous expenses).
